

How to order from A&A Craft & Stationery

In the fullness of time, we hope to have on-line shop facilities, but this will not be possible until we have completed our on-line catalogue – a mammoth task in view of the many different lines we carry.

In the meantime, please ring (0115) 920 9322 to check prices and availability, or email your enquiry to aandacraftstationery@yahoo.co.uk

We will despatch items currently in stock as soon as your payment has cleared. We are happy to order for you any items that are not in stock. Payment is due before the goods are ordered and we will send them as soon as they arrive.

Please note our charges for postage and packing:

Orders up to £19.99 in value	£2.50 per order
Orders of £20.00 or more	No charge

As we do not have telephone payment facilities, we will accept payment by personal cheque. Please allow 5 working days for your payment to clear
